

01034 VW T2 Bus Advent Calendar

easy-click
system

Model kit building has long been considered a fun and engaging pastime. Presented here with an 'advent' twist, you'll build, paint and sticker this highly detailed 1:24 scale replica of the iconic VW T2 minibus over 24 days, proudly displaying your completed masterpiece on Christmas day! In addition to the 'easy-click' clip-together kit, we've included all of the tools you'll need and detailed illustrated assembly instructions for hassle-free assembly! Parts are supplied pre-coloured but we've also included a paintbrush and a selection of Aqua Color paints, in case you want to incorporate even more detail!

Model kit is assembled from 109 parts and measures 193mm in length once complete.
