Model Kit of the 1939' Chevy Sedan "Delivery". Scale 1:25.  
97 parts. Length 19.7 cm. Age 12+

For years hot rodding was synonymous with pre-war Fords, but today many rod builders look beyond the blue oval when planning their next project. For example, this 1939 Chevrolet® Master 85 Sedan Delivery is a perfect candidate for personalization with speed and custom equipment. This Chevy® largely maintains its classic hard-working exterior styling, but everything else has been modified for improved performance and appearance. Your Revell model features a removable hood, a detailed 427 cubic-inch V-8 engine complete with a tunnel ram intake and dual carbs, competition wheels, and custom bucket seats. We've also added a load of five barrels along with an all-new decal sheet that includes several sets of beverage themed graphics. . Removable hood and a detailed 427-cubic-inch Chevy big-block V-8 engine . Set of five barrels with simulated woodgrain detail . Opening rear door . Molded in white, brown, and clear with chrome-plated parts and black vinyl tires . Optional parts include an exterior sun visor, fog lamps, and bench seats for the cargo area
