

RC Car "Big Wheeler" Revell Control - Remote Control Car

Item no.

24673

RC Car Big Wheeler in 1:18 scale. With independent suspension and shock absorbers. With spectacular underbody lighting. 2.4 GHz remote control. With replaceable Li-Ion battery and USB charger. Model length: 240 mm. From 8 years.

The RC Car Big Wheeler is perfect for all those who love off-road racing. The 24 cm long RC car masters even the roughest terrain with its independent wheel suspension and shock absorbers. The powerful electric motor and Li-Ion battery ensure long driving times. With its spectacular underbody lighting and cool design, it is also the highlight at night races. With the 2.4 GHz remote control technology, several RC cars can be controlled simultaneously. Off to the off-road adventure!

Scope of delivery:

model GHz Transmitter User Manual USB charger / USB charging cable / accumulator
