RC construction vehicle on a scale of 1:24. Mercedes-Benz licence. Speed: 10 km/h. With excavator function via 27 MHz remote control. Excavator cabin can be rotated manually. With Li-Ion battery and USB charger for 25 min driving time. With front lighting. Model length: 320 mm. From 4 years.

The RC Truck Mercedes-Benz Arocs "My little Digger" is perfect for children from the age of 4. With a length of approx. 32 cm, the construction vehicle is the perfect size for small hands. It has a 27 MHz remote control and is very easy to control with a speed of approx. 10 km/h. The Li-Ion battery offers a driving time of 25 minutes, so little construction site fans have plenty of time to play and drive. The front lighting allows visibility in the dark. The highlight is the excavator function, which is controlled via the remote control. In addition, the excavator body can also be turned by hand. This makes playing even more fun and the "My little Digger" becomes the hero on every construction site.
